

CALL

FOR CONTRIBUTIONS

International Simulation And Gaming Association
40th Conference – ISAGA 2009
29 June to 3 July 2009, Singapore

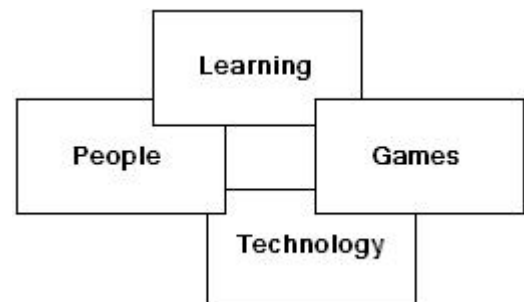

Organized by
Society of Simulation And
Gaming of Singapore

Theme:- Learn to Game and Game to Learn

You are warmly invited to make a contribution to this Annual International Conference of ISAGA, hosted by SSAGSG, Society of Simulations And Gaming of Singapore. It will be a special event; it will be both the **40th Anniversary** and **1st S.E.Asian ISAGA conference**.

The theme of the conference is *Learn to Game, Game to Learn*. We learn about games and simulations; and then we learn from games and simulations. The conference theme embodies this double aspect. Between the learning and the game are people and technology.

Sessions & Tracks

Conference sessions cover *keynotes, technical papers, interactive sessions, poster and laptop sessions and open space activities*.

Conference sessions will be organised into a series of tracks. Tracks with a **focus on technology** include *Interactive digital media, Mobile gaming, Simulators, Virtual communities, and Virtual reality*; while tracks with a **focus on content** include *Education, Engineering, Healthcare, Humanities, Management sciences, Professional training and Social & policy sciences*.

Submit your proposals on-line!
